Who We Are

Wilson Montessori is located in the heart of Montrose and is Houston's first public all-Montessori campus. Wilson currently serves students ages 3-14, in Pre-K through 8th grade, in both English and Bilingual classrooms. Wilson is committed to creating a student-centered learning environment that seeks to nurture the unique creativity of each child through the efforts of a dedicated and caring staff, parents and community, by utilizing the Montessori philosophy. Since our first classrooms opened more than 12 years ago, the program has almost doubled in size to more than 590 students. In 2016, we broke ground on a new addition, which will allow us to offer free Montessori education to more than 900 students.

How You Can Help

I invite you to join me in supporting Wilson Montessori by contributing to our 2018 silent and live auctions. **100%** of the funds raised from our auctions will go to support things such as arts education, a robust science program, music, specialized Montessori training for our teachers, gardening, and field trips. Without your help, Wilson will not be able to provide the enriching environment that makes our school so unique. **Please complete the attached donation and/or sponsorship form and return it to the school today or visit our website at <https://tinyurl.com/wilsongala> to contribute.** Your tax-deductible donation is an excellent way to feature your business in the community and enrich the educational experiences of Wilson's diverse student body. **Your gift to the 2018 auction will have a direct impact on some of the most basic needs of our children at Wilson.** Should you have any questions, please e-mail Amanda Lemaire at amanda.lemaire@sbcglobal.net.

Sincerely,

Amanda Lemaire
